Coronavirus and Church Plans: Update

Greetings from a quiet campus! The purpose of this email is to remind you of a few things and make sure you know what to expect this week. It's been wonderful to hear of how various people in our church have been connecting with each other and serving one another. Keep this up! And if you hear of needs that you are not able to meet, please let us know because we have a group of members ready to run errands in order to serve the elderly or vulnerable in our church family. If you wanted to sign up to be available to help others but haven't yet, you can do so [here](#).

Here's some of what you can expect this week.

- **Friday Video** – We will be sending another video communication from Pastor Conley on Friday of this week. We hope that being able to hear from him will be a comfort and encouragement to you.
- **Worship Guide** – Also on Friday, we will send you another worship guide to aid you in your worship on Sunday. As with last week's guide, it will include a sermon, songs, prayers, and discussion questions.
- **Children** – Pastor Wooster will be making videos on Wednesday and Friday again this week to serve our parents and children. After he makes them, we will link them on our dedicated [Coronavirus page](#) on our website.

Here's some resources to encourage you this week.

- **15 Days of Encouragement** – If you haven't signed up for this yet, there's still time. We're halfway through the 15 days, but you can still jump in on it. Register here for a daily reading focused on comfort and encouragement.
- **Sermon Resource on Our Website** – Maybe you didn't know this, but we have over 1900 sermons available on our website! And you can search for them by speaker, sermon series, Scripture passage, or by topic using a search bar. I made a [video](#) showing you how to do this so that you can use some of your extra time at home being encouraged in God's Word.

- **Giving Resources** – [Click here](#) to see a video encouragement from Pastor Conley on giving. We've compiled a list of resources to encourage your faithfulness in giving even while we are away. To see how to give a one-time gift via our website, click [here](#). To see how to give a recurring gift via the Elexio app (Android), click [here](#). If you normally give via cash or check, we encourage you to mail a check or try out giving online using the video tutorials as a guide.

Please continue encouraging one another throughout this week. While we hope to be together again soon, it will be neat to one day look back at this time and see how God sustained us through it.

Grace to you all,

Ben Fetterolf
Pastor for Administration
