BAPTIST CHURCH

March 17, 2020

Updated Coronavirus Plans and Opportunities

As we adjust to new routines for the next several weeks, I wanted to update you on how things are going here on campus. Things are pretty quiet here as school is closed and some of our other staff are working from home. Our Christian school faculty have been faithfully working to maintain continuity of education through online means. We thank God for these brothers and sisters who are continuing to serve many Christian families in our community, including many of our own families.

While our offices are not officially open, we do have many of our office staff who are continuing to work here, at least for now. If you have any needs, we would welcome you to call our church office or email anyone on staff. Our email addresses consist of our first and last name, followed by hamptonpark.org. If for some reason you call the church office and no one answers, feel free to call 864-385-4748.

Here is some information on ways we want to continue to communicate with and encourage you during this time:

- **Communication:** We added a dedicated page on our website to provide up-to-date information on our plans. You can access that [here](#). We encourage you to check this daily for any updates. We'll continue to email updates periodically as well.
- **Serving:** If you are interested in running errands for the most vulnerable in our congregation who may not be able to get out right now, please click [here](#) to let us know what times during the week you are available to run those errands.
- **Encouragement:** One of my favorite websites for Christian books, Westminster Bookstore, graciously gave us access to fifteen chapters from fifteen different books to be used to encourage you. If you would like to receive a daily email with a God-focused, comfort-themed reading over the next fifteen days, register [here](#).
- **Help:** If you need help in any way during this time, please contact one of the pastors, deacons or the church office. We intend to continue to care well for our members during these uncertain days.
- **Sundays:** To see more information about how we hope to facilitate your worship on the coming two Sundays, visit our webpage [here](#).

- **Videos:** Each Friday, we plan to send you a video message from Pastor Conley for your encouragement.

Please check the [website](#) regularly for up-to-date information. May God comfort your hearts today through the grace that is in Christ Jesus.

With love and hope,

Ben Fetterolf
Pastor for Administration
